### **Vivite Glycolic Facial Peel:**

*Fight the effects of time, sun damage and environmental toxins. This powerful and effective peel will loosen unproductive top layers of skin, improve overall skin clarity and smoothness and minimize the appearance of fine lines and wrinkles. To achieve the maximum result a series of six separate applications is recommended. \$140.00 per peel.*

### **Actifirm Z-Peel:**

*Renew your complexion with a Japanese mushroom enzyme peel. Loaded with antioxidants and safe for all skin types, this facial will leave your face glowing and refreshed. \$90.00*

### **Microdermabrasion:**

*Refine and smooth your skin with this safe and effective method of exfoliation. Treat age spots, enlarged pores, fine lines and wrinkles, acne scars and blotchiness with minimal downtime. To maximize your results a series of 3 to 6 is recommended. \$100.00*

### **Micro-Z-Peel:**

*For truly amazing results, combine the Actifirm Z-Peel with a microdermabrasion treatment. You will feel and see the difference and your skin will love you! \$150.00*

### **70% Lactic Acid Peel:**

*Achieve a clearer, brighter complexion with minimal downtime. The lactic peel treatment will leave your skin smoother, softer and more evenly pigmented. For the best results, a series of peels is recommended spaced 7-10 days apart. Sun protection products mandatory between peels! \$110.00*

### **Jessner's Peel**

*Improve skin tone and minimize fine lines with very little down time. A combination of salicylic acid, lactic acid and resorcinol, the Jessner's solution induces exfoliation of the outer layers of skin. Glowing, beautiful skin is yours with this peel! \$150.00*

### **Clinical Facials:**

*Our facials include a deep pore cleansing, steam extractions, massage and a mask customized to your skin needs. Designed for a variety of skin types, dry, normal, oily, combination, acne prone and sensitive. \$90.00*
